

# Wisconsin Lakes Partnership Convention

**Wed-Fri, April 18-20, 2018**  
**Holiday Inn Hotel & Convention Center**  
**Stevens Point, WI**

## Non-Profit Exhibitor Opportunities

Join us in Stevens Point April 18-20, for the 40th annual Wisconsin Lakes Partnership Convention! This event is sponsored by the Wisconsin Lakes Partnership, a nationally recognized and successful collaboration of the University of Wisconsin Extension, Wisconsin Department of Natural Resources, and Wisconsin Lakes.

The annual Lakes Convention gives lake enthusiasts from across the state the skills, tools, resources, and inspiration to protect and care for Wisconsin's waters. This statewide gathering is a time to strengthen existing partnerships and build new relationships with citizen advocates, organization leaders, lake enthusiasts, lake management professionals, local decision makers, state and local agency personnel, and service providers.

Does your organization have an exciting project or neat educational resources to share? Display tables for educational purposes are available to showcase your success stories and helpful resources among other lake enthusiasts and conservation leaders. The Convention program is shaped to provide ample networking time in an engaging atmosphere.

## \$30/table

- 1 8'x30" table, draped and skirted with one chair
- Electricity available upon request
- Lakes Partnership Convention registration not included in table reservation
